

The President's Emergency Plan for AIDS Relief (PEPFAR) Fellowship Programme offers an exciting opportunity for masters' level students and graduates to be placed as HIV Nursing Coordinator for Community Care Project Trust for a twelve month paid fellowship.

Location: Pietermaritzburg, KZN

Degree Requirements: Professional Nursing qualification with a relevant Masters degree

Personal Requirements: To apply for this position you must have completed a Masters Degree or have completed 80% of your Masters course work. South African citizenship or permanent residence is essential.

Contract: 12 months

Commencement Date: 1 June 2012

Job Description:

To coordinate our community and schools children's VCT programme including working with community schools and churches and working closely with departments within CCP's already established structure. A key area of focus will be following up and tracking children who test HIV positive and providing feedback to management as to its progress.
